

# EMPOWERING PEOPLE TO LIVE THEIR UNIQUE, BEST LIFE

ThedaCare Medical Center-Shawano

## We invite you to our surgical robotic open house

April 27, 2023 • 4:00 to 7:00 pm  
Hospital Main Entrance

### Meet the da Vinci Robot and Get a Hands-on Experience

Our specially trained surgeons will be available so you can ask questions and learn more about the key benefits of robotic surgery. The da Vinci robot will be making an appearance and you can interact with this robot through a series of fun and entertaining games.

Our highly trained surgeons are able to offer this innovative option to our patients, which means they can experience less pain, quicker recovery and get back to doing the things they love sooner. All right here in our community.

### This is Your Community Medical Center

This is your community Medical Center and we are proud of our heritage. We invite you in to meet our providers and to learn more about our services and mission to improve the health and well-being of our communities by empowering each person to live their unique, best life. Light refreshments will be served.

Cynthia Geocaris, MD

Hassanain Jassim, MD

Jeremy Luedtke, MD
